

Yotam Eliraz

UX UI Designer

About me

UX/UI designer with a strong engineering background, experienced in turning complex systems into clear, user-centered products that are both aesthetically appealing and highly functional.

Experience

Freelance

2025 - Present

- Led the design of **web** and **mobile** applications from concept to launch.
- Created **wireframes**, **user flows**, and **visual designs** for new features and enhancements.

Senior Software Engineer | CyberXM

2024–Present

- Developed and maintained complex systems in the cybersecurity domain.

Senior Software Engineer | Solitics

2020–2024

- Built and enhanced a data-driven marketing platform.

Software Engineer | Varonis

2018–2020

- Developed features for cybersecurity products.

Software Engineer | HP

2015–2018

- Developed enterprise-level software solutions.

Education

Grafitech Academy

2025–2026

- Completed a selective, small-group UX/UI design program (6 participants only), including hands-on projects in conversion-focused responsive e-commerce, mobile and SaaS products.

Tel Aviv University

2009–2013

- B.Sc. in Computer Science (with honors)
